PROFILE

Junior web-developer. I am ready to work in a team, gain experience, learn something new, and share with the team my knowledge and experience that I managed to gain. The technology stack that I am familiar with is listed in skills, the evaluation of each skill is solely my own opinion , how much I evaluate myself.

EDUCATION

Computer technologies and information
at Kuban State University

Krasnodar

Sep 2010 - April 2014

COURSES

Series of book You Dont Know JS, Kyle Simpson

Jan 2020 - Dec 2020
